"Steeple and Steel"

In 2016, our well-received mini-bus tours were the first destination listed in the Philadelphia Inquirer Travel section column entitled "10 Short Hops" (Sunday, August 14), bringing many tourists to Bethlehem from the Greater Philadelphia area and New Jersey!

Join us! These tours which will take you back to the era of immigration of the late 1800's and early 1900's. You will learn about work at the Bethlehem Steel mill; the South Side Bethlehem ethnic communities and their churches; and local cemeteries, as well as their interconnections.

The initial one-hour section of the tour, guided by a representative from the SBHS, will tour steelworker churches on Bethlehem's South Side (entering one church on each tour) or a local cemetery, the final resting place of many steelworkers. A one-hour steelworker-guided tour of the Bethlehem Steel plant site follows. An Eastern European goulash lunch is provided to tour participants for take-out or to eat at St. John's Kaiser Auditorium.

Tour schedule for 2017 with in-church or cemetery visits:
